

A Dangerous Atrophy Novel Chapter 13 To 14

Chapter 13 Transfer her to the gōng guān department

Anna Jian stood restlessly in front of Danny Shen. Not long after, someone outside knocked on the door panel, and Danny Shen's voice was soft: "Come in. Watermark advertising test. Watermark advertising test."

Anna Jian looked awkwardly at the person who came in-Alora Smith who interviewed her three months ago.

"Sister Alora." She looked anxiously at Danny Shen who was sitting on the solo sofa, and then at Alora Smith who came suddenly, with a snare drum in her heart. She didn't know this unpredictable man. What idea did you make again.

"Mr. Shen." Alora Smith wore a tailored white suit, undiminished her charm, with two stars on her chest ready to come out, calmly in front of Danny Shen: "What's your order?"

Anna Jian feels that Alora Smith's attitude towards Danny Shen is a bit strange, as if Danny Shen is her big boss of the money. One thing Anna Jian doesn't know, Danny Shen is Alora Smith's boss, but Anna Jian has been in prison for three years. After coming out, the world has been turned upside down.

"Do you know her?" Danny Shen moved her chin and lifted it towards Anna Jian who was on the side. Alora Smith's expression was a little bad, and she glared at Anna Jian who was aside. She still had an impression of Anna Jian. , This woman impressed her deeply.

Alora Smith moved the corner of her mouth and showed a very unnatural smile: "President Shen, did she offend you in any way, boy? Don't be angry, I will teach her well."

Anna Jian heard Alora Smith's intention to protect him, and thought that this time this time, the famous Sister Alora would expel her directly, but the other party returned to protect her in front of Danny Shen. She couldn't help but be surprised and couldn't help but rise to Alora Smith. Thank you.

Alora Smith glared at Anna Jian again. Had it not been for Anna Jian who had worked well since work, he was very low-key and sensible, and never caused her troubles, so he would not take the risk to protect her. I don't know how Anna Jian, who has always been low-keyed to no sense of existence, offended the person who should not be offended.

The little movement between the two did not escape the sharp black eyes on the opposite side.

Danny Shen's dark eyes fell on Alora Smith, "Who came in for the interview?"

Alora Smith's face turned pale instantly, and the big beads of sweat on his forehead dripped down his forehead.

"Huh?" The man snorted softly, and his questioning eyes fell on Alora Smith's pale face.

"Yes, it's me, Mr. Shen, she was interviewed by me personally." Actually, there is no need for Alora Smith to do things like interviews in ordinary times. It's really... hell! I haven't interviewed in person for two or three years. Which nerve was wrong that night?

Alora Smith's heart was filled with regret. Seeing Mr. Shen's appearance, Anna Jian was afraid that he really angered him. After following Mr. Shen for these years, Alora Smith still knew that Danny Shen was really angry.

"You interviewed? A cleaner?" Danny Shen's slender eyebrows half-triggered, and the sweat on Alora Smith's forehead dripped down, the whole body was tight, but she did not dare to wipe the sweat.

Carefully report the truth: "During the interview, all aspects of Miss Anna's conditions were not up to our other positions at Donghuang Entertainment, even as a fuwu member..." Alora Smith said embarrassingly, "But Miss Anna herself It means I want to be a cleaner in our Donghuang."

Speaking of this, Alora Smith suddenly raised her head and said to Danny Shen, "Mr. Shen, since Anna Jian has been a cleaner, she has been working diligently and cleaning up seriously."

Being in the position of Alora Smith, there is no longer any need to care about the people and things below, but for this Anna Jian... Alora Smith can't say what it feels like.

It is clear that this humble woman and herself should be people in two worlds, but she felt that there was always something in Anna Jian's body that was so similar to her. After thinking about it carefully, she couldn't figure out what it was.

It was only after the bold words just blurted out that Alora Smith was suddenly startled and looked at Danny Shen carefully.

On the brown single rénpi sofa, the man's slender legs are folded together, gentle and elegant, "Alora Smith, transfer her to the Gongguān department."

Alora Smith suspected that she had heard it wrong, and stared at Danny Shen in shock: "Mr. Shen, what did you just say? I didn't hear it clearly." Gongguān? Jane Tong? She must have heard it wrong.

"I said that a diligent and outstanding employee like Anna Jian should be transferred to a higher salary position." While talking, the long slender legs were put down, and the man stood up, and swept to the sluggish Jane. child.

At the corner of the mouth, a sarcasm slowly evoked, "Alora Smith, you must fully understand the talents of your subordinates before employing them... You probably don't know that this Miss Anna is very capable of acting."

Anna Jian was stiff.

The man's voice seemed to suppress his anger: "The Gongguān department lacks Jiantongjian Miss who can bend and stretch. Kneeling and kowtow are all her skills. As for other things, such as pleasing men, she can also do well."

The air seemed to be stagnant.

Anna Jian's pale face was not loved by the man. Danny Shen admired her desperate expression at this moment... Anna Jian, can you still remain indifferent?

Danny Shen didn't believe in pride, Anna Jian turned into this humble ant who only knew how to bow down. He just wanted to see with his own eyes whether she was really humble, humble, self-willed and degenerate as she is now.

Everything Danny Shen did was to persecute Anna Jian. He hadn't realized that deep down in his heart, what he wanted was the arrogant one who told him, "When did Adriana become your girlfriend, Anna Jian? The woman who walks around you", not the humble poor beast in front of you who only knows to kneel and kowtow!

He didn't even realize that behind all his methods of persecuting Anna Jian, he could not accept the fact that he turned her into such a culprit!

Danny Shen gave herself enough excuses. He classified the reason for humiliating Anna as-Anna killed Adriana, and he hated Anna.

You can never wake up a person who pretends to sleep, of course, there will always be a day when you wake up.

Alora Smith heard clearly this time-Mr. Shen asked her to transfer Anna to the Gongguān department.

The Gongguān department of the Eastern Emperor is simply a general term for princess, female model, male model, and young master.

"This..." Alora Smith glanced at the pale-faced Anna, "I see, President Shen." Based on years of experience, Alora Smith intuitively felt that Anna and President Shen were different.

I have never seen Mr. Shen caring about things under the Donghuang. To put it bluntly, Donghuang Entertainment Club is only a small business of Danny Shen. President Shen has never cared about the industry of a club in this district.

"Anna, you come with me." Alora Smith said businessly. Anna Jian's face was pale and colorless, and suddenly raised her head and looked at Danny Shen pleadingly: "No, I don't want it." Gongguān department...Danny Shen asked her to go. gongguān department?

Do not!

Chapter 14 Humiliation and Torture

The more Anna Jian thought about it, the more he shook his head and the rattle, "I don't want, Mr. Shen, I don't want to go to the gongguān department. Anna Jian panicked begging for mercy: "I know I was wrong, Mr. Shen begs you to let me go , I have been in jail for three years and I have paid the price. You give me my bank card and I disappear immediately. I disappeared far away. I promise that I will no longer appear in front of you in this life."

Anna Jian only knew to beg for mercy, but she didn't notice. Alora Smith was surprised when she heard that she had been in jail for three years. Alora Smith had just come to S city two years ago. She was not originally from this city, so she didn't know about Anna.

If it was an old man who followed Danny Shen for a long time, he would know everything about Anna.

Danny Shen's narrow eyes narrowed dangerously...she still wanted to escape?

No longer appear in front of him in this life?

"Heh" snorted, the man took out his cell phone and ordered his hand to go down and do something. Not long after, there was a knock on the door of the room, and a man came in and handed the man a card.

The man slowly squatted down and looked at the woman who was kneeling on the ground, holding the bank card between his fingers, "Shen Yi just transferred all the money in this bank card." Anna Jian glanced at the bank card, puzzled. Look up at Danny Shen.

The man thinned his lips and slowly said, "You want me to let you go, right?"

Anna Jian was taken aback, although he was puzzled, but immediately nodded.

"Do you think I'm a good person?" The man continued, and Anna Jian stopped talking. The man chuckled, "That's right, Danny Shen was never a good person, how could he let you off easily."

As if talking about other people's affairs, Danny Shen looked at Anna Jian carelessly, like a cat catching a mouse, playing with the prey in the palm of his hand, and slowly raised a bewitching smile on her handsome face:

"Anna, there is no money in this card now, as long as you make five million," while talking, the man shook the bank card in his hand: "As long as you have the ability to deposit in this card Five million, I will let you go. How?"

how is it? ... Anna Jian looked at the bank card between the man's fingers blankly. There was no more despair on his face... He had no intention of letting her go!

Five million...For her now, it is a huge sum, so big that she can't imagine it! As for Danny Shen, is he short of these five million? Anna Jian instantly understood Danny Shen's teasing.

The man's deep eyes tightly locked the face of the woman in front of her, not letting go of any subtle expressions on her face, her eyes were bright, and the corners of her lips were slightly upward...Want to escape? dream!

“Pada”, Danny Shen stood up, the bank card between her fingers fell in front of Anna Jian, “Anna Jian, no matter what you do, when will there be five million in this card, when will I let you go? . Otherwise, if you want to be free, don’t even think about it. Don’t even think about running away, as long as you live in this world, I can find you.”

Five million... Where did she get five million?

I was flustered... Turning to open the door of Danny Shen anxiously exclaimed: “Mr. Shen, you are difficult to be strong! I am a cleaner, where do I make five million?”

The man turned sideways and looked down at her: “Alora Smith will transfer you to the gongguān department, selling laughs, pitiful, stupid or ugly. Anyway, you can sell whatever you can think of. The rich have many quirks, and your knees are not If you say you can bend, you’ll know if you try it. It really doesn’t work, you can still sell yourself.” At this point, the man pulled the corner of his mouth:

“But you look like this now...it’s hard to say.” Danny Shen squinted and said, “I’m so self-contained.” Anna Jian watched Danny Shen’s tall and slender figure and disappeared from his sight.

Anna Jian’s face was white, and there was no trace of blood, and Alora Smith who looked at him couldn’t bear it... “How did you offend President Shen?”

Anna Jian turned to look at Alora Smith with a sorrowful smile. At this time, Alora Smith saw Anna Jian’s white lips and a circle of blood-colored tooth marks, “Are you okay?” Alora Smith asked.

“I’m okay,” Anna Jian stood up and shook her body. Alora Smith couldn’t bear it, and was about to reach out her hand. Anna Jian barely stood firm, rushing to Alora Smith, with a grateful smile on her pale face: “Thank you, Alora .”

“Are you...sure that it’s okay?” She couldn’t stand still when she watched Anna Jian stand, she really didn’t believe in the word “it’s okay” that Anna Jian said.

Anna Jian shook his head against Alora Smith, still the three words: “I’m fine.”

Who believes... Alora Smith looked at the woman who was struggling to move forward, and couldn’t help asking: “You know Mr. Shen.”

Alora Smith clearly saw the back of the woman in front of her stiff for a moment, but the other person asked her, “Sister Alora, where is the Gongguān department? Am I going to work tonight?”

This time Alora Smith was stunned, "You..." Alora Smith originally wanted to ask something, so he swallowed it back and said, "Let's go, I'll take you."

Along the way, Alora Smith deliberately slowed down. She had a pair of glaring eyes in the joy field, and her eyes were sharp on Anna Jian's legs. She didn't pay attention before, but now she clearly felt that Anna Jian's legs were abnormal. .

"Anna, did your legs go numb just now?"

Anna Jian thought for a while. Now, there is no need to hide from Alora Smith. She raised her head and glanced at Alora Smith. Anna Jian slowly turned her back, lifted her clothes, and yelled quietly: "Sister Alora. ."

Alora Smith's gaze followed Anna Jian's movements and fell on the back waist that was not covered by clothes. He immediately took a breath: "You..." Unconsciously, Alora Smith opened his eyes in horror and covered it. Mouth, looked at the woman in front of him in disbelief.

Anna Jian slowly put down her clothes and tidied the corners of her clothes before looking at Alora Smith with a look of horror: "Sister Alora, I lacked a kidney, and later my body became worse. It hurts when I walk fast."

"Kidney, kidney...what about the kidney?"

"Donate it, I don't know."

Rao is Alora Smith who is accustomed to seeing strong winds and waves. At this moment, she is facing Anna Jian, who has a calm face and says that she doesn't know where her kidneys are going. She can't help but tremble... How can Anna Jian be so calm ? !

"That's the kidney, it's part of your body!" Alora Smith struggled to stop her anger, suppressed her voice, and said as calmly as possible. How could Anna Jian speak so peacefully?

Anna Jian twitched the corners of her mouth: "I know." Except for these three words, she didn't say any more words. She just looked at Alora Smith and pleaded firmly: "Sister Alora, please help me with this matter. I keep it secret." She didn't want to be known by others.

"You...Okay!" Alora Smith took a deep breath to calm herself. She still didn't quite understand, how could she feel that the woman in front of her was so similar to herself.

After thinking about it, Alora Smith asked, "Since you are missing a kidney, do you still have to enter the Gongguān section? You must be able to drink in the gongguān section. Even if you can't drink, the person in trouble must have a drink or two. Cup, let me talk to Mr. Shen, your condition cannot be included in the Gongguān department." For some reason, Alora Smith wanted to help Anna.

"Sister Alora, don't go." Anna Jian quickly grabbed Alora Smith, looked at Alora Smith's eyes, and clearly pleaded: "...Mr. Shen, he might not know it." She opened her palm to reveal the bank inside. Ka, showed a sorrowful smile at Alora Smith: "Sister Alora, you are well-informed, can I make 5 million with my appearance?"

It was obvious that Alora Smith's body shook slightly, as if he understood something- President Shen was torturing and humiliating this woman.

However, it is too cruel...
